

Skid Steer Boom Attachment

WARNING

To avoid serious injury or death:

Use care when moving load – Carry load low and avoid uneven ground and inclines. Move slowly when carrying or raising load. Loads may swing or shift during transport. Use a spotter to avoid obstacles.

Loads can fall – **NEVER** lift people or lift load over people.

Avoid pinch points – Keep body parts away from attachment during operation.

Avoid electric shock hazards – **NEVER** operate attachment near overhead power lines.

NEVER exceed maximum load – **ALWAYS** know load weight before lifting. Maximum load depends on configuration.

350 lb max 
650 lb max 
750 lb max 

Always read manual before use.
